The E^{1/2} N^{1/2} S^{1/2} N^{1/2} W^{1/2} N^{1/2} E 16. 95. 12 was school land - said Warthan at one time had a School Lands Contract for it, but could not pay for it and abandoned it, as has been stated in some former testimony in this case - hence it's being found against his name on the Tax Books
