Office at 230 had
Exray and Chest Exam
Saturday June 12
Went to Doctors Office
at 230 had. Blood test
urine test. Blood count
Elergic test.
and he gave me a
Chest Exam
and a one minute
Treatment

My Breathing was
some Easier

Back to Doctor at
730 gave $2\frac{1}{2}$ minut
Treatment

Sunday June 13

No Treatment

Monday June 14

Treatment at 1100

No notcible Change

Tuesday June 15

Ambul hot last

night felt pretty

bad this morning

am feeling lots

better this evening

some of the soariness

has gone out of my

Chest and back
 took 2 minit treatment
 wensday 16 & minit
 treatment feeling
 just about the same
 Thursday ¹⁷ 3½ minite
 feeling a little better
 than yesterday

Friday June 18

Feltt better this morning
 than I have anytime
 yet took 4 minit
 treatment today

Saturday June 19

Just about the same
 4½ minit treatment

(4)
monday June 21

See no change

4½ minute treatment

Tuesday June 22

Just about the same

4½ minute treatment
