Dear Mr. Robbins,

I have enclosed all of the information I have on your deceased ancestor, Christopher C. Robbins. This was a County Home-Welfare Internment, so there is no stone! However I have enclosed a map with his burial site highlighted!

I hope this has helped a little bit in your search.

If you have any other questions, please don't hesitate to call or write me.

Happy Ancestor Hunting!

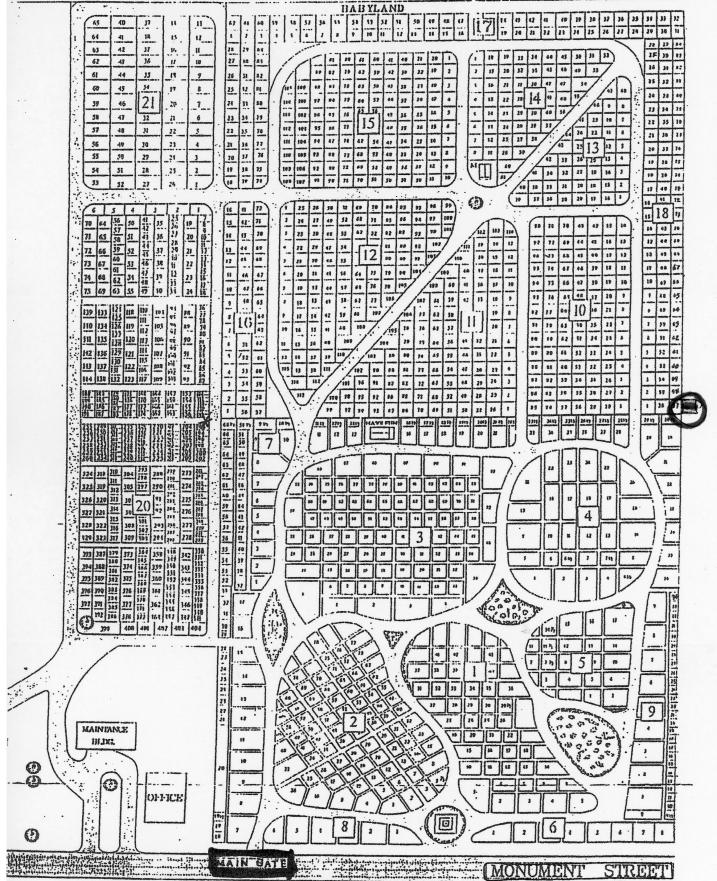

Sincerely,

Cynthia E. Harris
