last night and I expect to go  
out to night again. I am Acting  
Assistant Postmaster I go one  
night after the male and the  
other man goes the other night and  
take turn about.

well Sallie I Haven't heard  
from your Brother yet I sent  
him a letter a couple week ago -  
you wanted to know whether I  
have read James wife a letter yet.  
I have but haven't got a  
response yet.

Sallie I am so sorry to  
think that you weren't well  
when you wrote last to me.  
I hope these few lines may  
find you well. Sallie I got a  
letter from my new  
Brother-in-law last night.  
Mr Samuel Klinges -

Sallie I will close for this  
time. I will send you another  
letter in a few days.  
Sallie don't forget to tell  
your father to go to  
Brookville and get your  
money tell him I will  
pay him for his trouble  
I will send it in his  
name and then he will  
have no bother in getting it.  
As I stated before I will  
send one hundred dollar -  
Sallie let me know just as  
soon as you get it whether it  
came all safe or not  
well I will close. I have  
the letter to counter since  
so I will close for this  
time. Excuse these few lines  
I remain as ever your true friend
