

VETERANS OF TWO WARS

List as Enumerated in City and
Three Townships

SOME HISTORY

Those Who Have Served Their Country, Their Ages, Companies and Regiments According to the Reports Now on File With the County Clerk.

The enumerators are gradually completing their lists of soldiers in Hamilton county and filing them with the county clerk. This must be done once every six years according to a law passed soon after the close of the civil war and which has never been repealed.

The following is a complete list of the civil and Spanish American war veterans living in three townships and the city of Noblesville, their ages, companies and regiments according to the reports now on file. The lists in the other townships of the county will be published as soon as they are completed:
