21. Email, from Wilma ID0379 dated 1 Jan 2007. I also believed that Henry belonged to Clara.

I had a researcher in Germany look into the birth and found that it was Maria who was the mother.

I have the records in Indiana that tell of the father of Maria, Valentin, went to another town and filed the birth record. It does not show who the father was.

I think that may have been the reason they came to the USA.

They came to be with a brother of Elizabetha, wife of Valentins brother. His name is Becker and he was a preacher.

Will give you those records when I return to Indiana.
