Dear NPRC:

I request that I be awarded the Bronze Star Medal in accordance with Executive Order 9419 signed by President Franklin Roosevelt on February 4, 1944, which was retroactive back to December 7, 1941, and which awarded the Bronze Star Medal to those World War II infantry men who were awarded the Combat Infantryman Badge (CIB) or the Combat Medic Badge (CMB).

I have included a copy of my WD AGO Form 53-55 showing I was awarded the CIB or CMB, but that I did not receive the Bronze Star Medal.

Thank you.

Dear Mr Dellamano,

On 4 December 2003 I sent a letter to your office requesting that I be awarded the Bronze Star medal that I am entitled to. In that request I included a copy of my separation report as requested.

According to your form 13075, page 1 (marked), that I just received from your office, the information I have already sent you should be sufficient for the awarding of this medal.

With this letter I have included the following:

1. Copy of Form 13075, page 1 (marked)
2. Copy of the original request I made dated 4 December 2003
3. Copy of WDAGO Form 53-55 Separation Report
4. Copy of Form 13038 issued by your office and dated 12 September 2003

What other specific information do you require to complete this request?

Sincerely,

*Walter C. Robbins*

## QUESTIONNAIRE ABOUT MILITARY SERVICE

1. **WHY WE ARE SENDING YOU THIS FORM:** We cannot respond to your request at this time for one of the following reasons:

- We are unable to locate a record with the information provided in your original inquiry
- or -
- The record needed to answer your inquiry was lost in the July 1973 fire that destroyed millions of records here at the National Personnel Records Center. The records stored in the area which suffered the most damage in the fire were those of:
  - Army veterans discharged or deceased between November 1, 1912, and December 31, 1959
  - Air Force veterans discharged, deceased, or retired before January 1, 1964, whose names come alphabetically after Hubbard, James E.

The information you provide on page 2 of this form may help locate the record, if it is available; or, if the record is not available, it may enable the Center to make use of various alternate sources to reconstruct some of the basic service record data. Please note that if the *only* document you need is the Report of Separation (DD Form 214, WDAGO Form 53-55, etc.), it may be available from a former employer or from the recorder's office of the city or county where the veteran lived just after separation/discharge.

2. **WHAT YOU NEED TO DO:**

- ☞ Fill out page 2 of this form (NA Form 13075) as completely as possible, as well as any other form(s) you may have received with this one, such as Standard Form (SF) 180 and NA Form 13055;
- ☞ Attach copies of any papers you have that relate to the requested military service, such as military orders, award citations, and military addresses as shown on letters mailed home; and
- ☞ Send the above item(s) and the original *signed* request (which we are returning to you with this form) to the National Personnel Records Center at the address shown below. Do not send in this form by itself.

3. **NOTE: Are you requesting military service medals only?** If so, do you have a copy of the Report of Separation (DD Form 214, WDAGO Form 53-55, etc.) and other military papers that show which medals were earned? If you send such information about medals, you do not need to fill out this NA Form 13075. However, you still must also return a completed SF 180 or your original request. Finally, if possible, please send a list of the names and locations of all military units or "outfits" to which the veteran was assigned, including dates, while on active duty. This may help determine eligibility for "unit" awards.

### PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e) (3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and EO 9397 of November 22, 1943. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the National Personnel Records Center may not have all of the information needed to locate the record(s) sought. The purpose of the information on this form is to assist the National Personnel Records Center in locating the correct military service record(s) or information to answer your inquiry. This form is then filed in the requested military service record as a record of disclosure. The form may be disclosed to the Department of Defense components or the Department of Transportation (Coast Guard), if the National Personnel Records Center transfers all or part of those records to such agency. If the service member was a member of the National Guard, the form may be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served. The form may also be disclosed when the military service member or, in the case of a deceased service member, the military service department, authorizes a specific individual or organization to have access to the military service record.

### PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. The information requested on this form is being collected and used by the National Personnel Records Center to identify and locate military service records that could not be identified and located in response to the original inquiry. Public burden reporting for this collection of information is estimated to be five minutes per response, including time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to National Archives and Records Administration (NHP), 8601 Adelphi Road, College Park, MD 20740-6001. **DO NOT SEND COMPLETED FORMS TO THIS ADDRESS. SEND COMPLETED FORMS TO THE ADDRESS BELOW.**

**Request Number: 1-87111847**

Dear Sir:

Thank you for contacting the National Personnel Records Center (NPRC). The record needed to answer your inquiry is not in our files. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed. The fire destroyed the major portion of records of Army military personnel for the period 1912 through 1959, and records of Air Force personnel with surnames Hubbard through Z for the period 1947 through 1963. Fortunately, there are alternate records sources that often contain information which can be used to reconstruct service record data lost in the fire; however, complete records cannot be reconstructed.

We are pleased to verify entitlement to the following awards:

BRONZE STAR MEDAL;

**Your Awards Case Number is A4FEF2129JXIV.**

While NPRC verifies entitlement to awards, the Department of the Army maintains jurisdiction for issuing the actual awards. The awards will be shipped directly to you from the U.S. Army Tank Automotive and Armament Command at the address shown below. Any further correspondence concerning your request should be sent to that location.

U.S. Army Tank Automotive and Armaments Command

You may check the status of your request at any time by visiting <http://veteranmedals.army.mil>. You will need your **Awards Case Number** shown above to access status information. You may also use this site to report a change of address if you move prior to receiving your awards. Again, you will need your Award Request Number for an address change.
